Please note that hotel rates in China have increased 20% since last year due to the weak US dollar. Exchange rates for the dollar are expected to decline further. Lock in your trip today to avoid future price increases.

The 16-day trip is reasonably priced (please check one of the following boxes):

- \$7,999.00 "Early Bird" Rate** - per person/double occupancy (including round trip international airfare) in coach from San Francisco or Chicago, including all hotels (five star); all meals (three meals/day); and all internal China flights /double occupancy.

NOTE: This special discount price is only for the first 10 travelers who register and pay in full on or before December 15, 2010. It represents a hefty \$3,000 discount off the highest rate for the Field Trip.

- \$9,999.00 Standard Rate** - per person/double occupancy – this rate applies after the first 10 seats are taken, or if paid after December 15, 2010 and before April 15, 2011.
- Single supplement (no travel companion) is a flat **\$2,500.00** additional fee. Please note we may be able to pair you with another solo traveler to avoid this cost.
- NEW FOR 2011! Four payment installment plan - \$2,250 each month for four months. First payment due immediately and must be paid in full by April 15, 2011.**
- \$10,999 – "Late to the Game" Rate** - per person/double occupancy – this rate applies any time after April 15, 2011.
